## Summary

Full Stack Developer with over 3 years of experience in web development and as a problem solver who loves facing challenges in my work, I'm excited to be at the deployment phase of my career as a web developer. I love to be on a team that questions possibilities. I've previously been a graphics designer, and bring those skills to my UI development on a team. Independently, I've Delivered 150% on sales targets for 3 consecutive years

## Experience
